Dear Mr Shaw,

Re: Credit Articulation Arrangements with Griffith University

I am pleased to advise that the Dean (Learning and Teaching), Griffith Business has now approved credit articulation arrangements as below:

- 70CP credit transfer for the Diploma of Leadership and Management (BSB51918) towards the Bachelor of Business (1632).
- 40CP credit transfer for the Diploma of Business (BSB50215) towards the Bachelor of Business (1632).
- 60CP credit transfer for the Diploma of Project Management (BSB51415) towards the Bachelor of Business (1632).

These arrangements will remain current whilst both First Choice College and Griffith University offer the above programs. If there are significant changes to either institution's programs, the articulation arrangements will need to be reviewed at time of the major change to ensure currency of the arrangements.

Full details of these arrangements are listed in the University's Credit Precedent Database located at griffith.edu.au/credit via a search of First Choice College. Information about programs offered by Griffith University, including admission requirements and how to apply, is available from degrees.griffith.edu.au

Griffith University looks forward to hosting your graduates who may wish to extend their studies at Griffith University.

Yours sincerely,

Siobhan Richardson
Admissions and Credit Administration Officer
