PRE-ENROLMENT

Unique Student Identifier (USI)

If you are a new or continuing student undertaking nationally recognised training, you need a USI in order to receive your qualification or statement of attainment. If you don't have a USI you will not receive your qualification or statement of attainment. Your USI will give you access to an online record of the training you have done since 1 January 2015. You will also be able to produce a comprehensive transcript of your training. This can be used when applying for a job, seeking a credit transfer or demonstrating pre-requisites when undertaking further training.

Creating a Unique Student Identifier (USI) will only take a few minutes and it is free. You only need to create a USI once and it will stay with you for life. After you create your USI, you then need to give it to each training provider you train with when you enrol. Although most students create their own USI, First Choice College may be able to create a USI for you, with your permission. First Choice College will do this at enrolment if required.

To create a USI or for more information, click on the provided link and follow the prompts:

<https://www.usi.gov.au/>

Enrolment and payment

Each student is required to complete the enrolment application form on the website.

Once an enrolment application has been completed and payment has been received, the student will receive the following documentation:

- Enrolment Letter

Students will be pleased to know that the course fee is an all-inclusive set fee. RPL applications (three attempts only) and credit transfers are also included.

The enrolment form can be accessed from the First Choice College course specific pages.

First Choice College offers a no-interest payment plan option on select courses. To get your payment plan started, we may require an upfront deposit, and will ask you to sign an EziDebit Direct Debit Request form to authorise weekly payments. Please refer to the specific course on the website for more information on no-interest payment plan courses.

Phone payment disclosure statement

A phone payment disclosure statement must be completed by the card holder who has made payment for one or more First Choice College courses over the phone.

- Card holder: the name that appears on the card.
- Payment: this refers to all phone payments received by MasterCard and Visa Card.

By completing the phone payment disclosure statement, the card holder declares that he or she has given their full consent regarding the phone payment transaction. The disclosure statement must be hand signed or accompanied by a digital signature. The completed statement must be returned to rto@fcc.edu.au.

Note: The student's enrolment will be delayed if First Choice College has not received the completed phone payment disclosure statement from the card holder.

Credit Transfer (CT)

A credit transfer is a system whereby successfully completed units of study contributing towards a certificate or diploma can be transferred from one course to another. First Choice College recognises statements of attainment and record of results issued by other registered training organisations (RTOs).

The student must provide a copy of their AQF certification. First Choice College must verify the authenticity of the statement of attainment and record of result by contacting the issuing RTO prior to approving any units as credit transfer. Alternatively, we may request a current copy of the student's VET Transcript with "allowing viewing" enabled for us to authenticate it. The assessor has up to 10 business days to review these documents and provide an official outcome to the student via email.

To apply for credit transfer, email the certified AQF certification documents to rto@fcc.edu.au.

Recognition of Prior Learning (RPL)

The objective of Recognition of Prior Learning (RPL) is to ensure that a person's prior and current learning achieved through formal or informal education, training, work experience or other life experiences is appropriately recognised.

First Choice College encourages students/clients to apply for RPL wherever it is considered appropriate. Assessment processes shall provide for the recognition of current competencies regardless of where they had been acquired. RPL focuses on identifying the endorsed industry/enterprise competency standards currently held by individuals as a result of formal or informal training, not how, when or where the learning occurred. RPL underpins any system of competency-based training. First Choice College demonstrates its commitment to recognising the prior learning of individuals.

First Choice College ensures that RPL shall be available to all potential applicants, the processes shall be fair to all parties and that RPL shall involve the provision of support to potential applicants. Assessors must be confident that the person applying for RPL is currently competent against the endorsed industry or enterprise competency standards or outcomes specified in Training package requirements. The assessor must also be confident that the evidence is authentic, valid, reliable, and current and covers the exemption being sought. There are several ways that RPL can be assessed. Essentially, the same assessment applies for RPL as that for a student enrolled and attending a unit of competency, accredited course or qualification with a registered training organisation. The methods of assessment are varied and will be determined after the person seeking RPL has enrolled.

Document name:	FCC 31707_Student Handbook 2023	Review date:	August 2024	Version:	4.0
Version:	V5.0 - October 2023				

The methods of assessment may include, but not be limited to:

- Written or oral assessments
- Practical assessments
- Competency conversations
- Supplementary assessment tasks
- Challenge tests
- Work samples/portfolios
- Third party reports

A fee will be charged depending on the procedure used for assessment. The candidate will be advised of the fee at the time of application.

RPL Pre-Assessment Process

Following the receipt of an RPL application form the RTO will arrange for the assessor to undertake a pre-assessment of the candidate.

Pre assessment is to be carried out by assessors in the following steps:

1. The candidate completes an RPL Kit outlining the evidence they hold and can provide for the unit of competency or qualification they are applying for RPL for
2. The assessor conducts an interview with the candidate to determine any previous qualifications and experience and reviews any documentary evidence provided by the candidate
3. 3. If the documentation provided confirms the candidate's prior learning, then the assessor advises the candidate of any further assessment method/evidence required
4. 4. If the documentation provided does not confirm the candidate's prior learning, either advise the candidate of what additional evidence may be required or advise the candidate that the RPL process cannot proceed.

RPL Assessment Process

Assessment is to be carried out by the assessor/s in the following way:

1. The assessor to carry out assessments as advised in the pre-assessment stage.
2. The assessor to determine the candidate's competence.
3. The assessor to advise the candidate of the outcome.
4. Candidates deemed not competent are given the opportunity for gap training and reassessment; and
5. The assessor to submit relevant documentation to the administration for processing.

To request an RPL Application Kit please email rto@fcc.edu.au.

Individual needs

As all prospective students come with varying support needs, it may be necessary for the student to complete the Language, Literacy and Numeracy (LLN) Indicator Tool. This LLN evaluation will assist First Choice College in identifying the learner's needs and appropriate support to be offered by First Choice College.

Please note that First Choice College has up to 10 business days to review each student's LLN Indicator Tool from the date of receipt. First Choice College offers a range of reasonable adjustment options and support services if a learning need is identified through the LLN Indicator Tool.

Each student will receive access to their course once First Choice College has reviewed their LLN Indicator Tool (if required) and verified their USI. Upon receipt, First Choice College will have up to 4 business days to issue an official welcome letter and release the course to the student.

Whereby we identify that students may require additional LLN support and foundation skills training via First Choice College is not an available option, we may direct students to the following resources:

Reading and Writing Hotline:

Website: www.readingwritinghotline.edu.au

Services Australia – Australian Government:

Website: <https://www.servicesaustralia.gov.au/language-literacy-and-numeracy-supplement>

Mandatory pre-enrolment requirements

Please note: Additional entry requirements may apply depending on the course. See the course information for more details.

Enrolment and selection

- The minimum age requirement is 15 years of age for most courses.
- Entry will subject to the completion of a Language, Literacy and Numeracy test. Where an LLN test is not completed for any reason or refused, First Choice College will utilise an alternative method to identify the student's support needs, such as a self-assessment.
- Students must inform First Choice College of any medical conditions, disabilities or training assistance requirements.
- We reserve the right to deny admission or terminate enrolment unless restricted by a regulator or state funding body clause. Additionally, we may change trainer/assessor without prior notice as deemed necessary for the best interests of the organisation and the student.
- Participation in physically active courses, field trips, and practical demonstrations is at the student's risk. Our students are covered by public liability insurance while within the RTO's premises.
- If the student is unable to complete their course due to a change in personal circumstances, First Choice College will make every effort to assist the student to complete the course and provide the option of an extension where possible.
- Enrolments will be considered complete, and the first unit will be made available once the student has met the necessary conditions, such as submitting the enrolment form, providing the required identification, presenting a verified USI Transcript for credit transfer purposes, completing the LLN test, and making the initial payment instalment (if applicable).

Training guarantee

In the unlikely event of a business interruption or training failure, First Choice College will issue the student with a Statement of Attainment for the successful completion of units. First Choice College will also issue the student a pro-rata refund amount based on the calculation formula below.

Calculation Formula

Course fee paid by student / total duration in days (as per the welcome letter) = daily rate. daily rate x remaining days in student's enrolment period = pro-rata refund amount. The refund amount will be processed within 20 business days from the date that the pro-rata refund amount is communicated to the student.

Changes to agreed training services

First Choice College will notify current students by email of any changes to the agreed services including third party arrangements and change in ownership. This information will be communicated to students within 2 business days of confirmation that the agreed services have been applied.

Requiring identification

First Choice College must require and confirm identification in service delivery to individuals for nationally-recognised course programs. We are authorised by Australian law to deal only with individuals who have appropriately identified themselves.

That is, it is a Condition of Registration for all RTOs under the *National Vocational Education and Training Regulator Act 2011* that we identify individuals and their specific individual needs on commencement of service delivery, and collect and disclose Australian Vocational Education and Training Management of Information Statistical Standard (AVETMISS) data on all individuals enrolled in nationally-recognised training programs or units of competency.

There are also other occasions also within our service delivery where an individual may not have the option of dealing anonymously or by pseudonym, as identification is required for us to effectively support an individual's request or need.

ENROLMENT

Course delivery

We strive to ensure that the delivery of each course is of a high standard and well-accepted by students, that advertised course outcomes are achieved, that the delivery of VET courses complies in all respects with the requirements for the delivery and assessment of nationally-accredited courses and to build mutually beneficial long-term relationships with competent, experienced, and highly regarded local trainers, who know our training organisation and the way it operates. VET courses are to be delivered by trainers who currently hold the TAE40116 Certificate IV in Training and Assessment or have demonstrated equivalent competencies and can demonstrate vocational competencies and industry currency at least to the level of those being delivered.

Course assessment

Nationally recognised VET courses have been developed on a competency-based approach. Competency is the ability to meet particular standards of performance required for the workplace. The trainer/assessor will provide students with written descriptions of course content, learning outcomes and assessment events for each unit. This will also include information on methods of assessment, due dates, and "competent" or "not yet competent" outcomes. All course requirements including submissions of assessment tasks for both on and off the job must be finalised and submitted in accordance with the training/assessment plan and timetable that the student receives upon commencement. Failure to comply will mean that students will not be eligible to receive their qualification.

Course duration

The course duration is available on the enrolment letter – refer to the enrolment date and expiry date. Students may apply for an extension however fees do apply (see fee schedule). For short courses and standalone units, students have up to 3 months to complete their course.

Course extensions

Course extensions will be considered on a student-by-student basis (see fee schedule). The available extension options are listed below:

- 1 month extension
- 3 months' extension
- 6 months' extension

To apply for a course extension, the student must complete the Extension Form and return this to rto@fcc.edu.au.

Payment for course extensions can be made by:

- MasterCard or Visa Card
- PayPal
- Telephone payment for credit card payments
- Purchase order
- Bank deposit (see bank details)

Document name:	FCC 31707_Student Handbook 2023	Review date:	August 2024	Version:	4.0
Version:	V5.0 - October 2023				

The bank details are as follows:

Bank	St George
BSB	114-879
Account number	491 900 424
Account name	Auswright Training Pty Ltd

Please note: an extension request can be denied by First Choice College if the course allocation becomes full.

Please note: For students in traineeships, course extensions are applied via DESBT. The First Choice College administration team will contact the trainee before their course end date with the attached DESBT course extension form, which the trainee and their employer will be required to sign and return to trainee@fcc.edu.au. We will then forward the extension form on to DESBT for approval.

Course cancellation

A student may cancel their course enrolment by completing the Course Cancellation Form and returning this to rto@fcc.edu.au.

Please note: a student is not entitled to a refund of any kind upon cancelling their course.

Please note: For students in traineeships, the trainee and employer will be emailed a cancellation form, which requires the date of the trainee's cancellation of employment and signature from one or both parties. Once completed, the form is to be emailed to trainee@fcc.edu.au.

The following applies to students funded under User Choice:

1. Inactivity Monitoring and Engagement

If a student's course activity remains inactive for a continuous period of 30 days, we will take proactive measures to re-engage the student. The designated Student Liaison Officer (SLO) will initiate contact through both email and phone communication.

2. Continued Inactivity

In the event that there is no response or activity from the student after the initial engagement attempts, we will continue to monitor the situation. After 60 days of inactivity, we will extend our communication efforts by reaching out to the student's employer, if applicable.

3. Escalation

If, despite our attempts, there is still no response or engagement from either the student or the employer after a total of 90 days of inactivity, First Choice College will escalate the matter. We will contact the Apprenticeship and Traineeship Support Network (AASN) to seek further guidance and intervention.

4. Potential Course Cancellation

In cases of extended inactivity and unresponsiveness, the student's training contract may be cancelled by the AASN or the department. This decision will be made with careful consideration and in accordance with relevant regulations and guidelines.

Document name:	FCC 31707_Student Handbook 2023	Review date:	August 2024	Version:	4.0
Version:	V5.0 - October 2023				

5. Student Responsibility

Students are encouraged to actively participate in their training program, complete required coursework, and maintain regular communication with the SRTTO. If facing challenges or needing support, students should promptly reach out to the designated Student Liaison Officer or their trainer.

6. Employer Collaboration

Employers play a vital role in supporting the training and engagement of their employees. If contacted by us regarding a student's inactivity, we encourage employers to collaborate with us to address any issues and ensure the student's successful completion of the training program.

VET Investment Program (C3G/HLS) and Fee-for-service students:

For students enrolled in VET Investment Programs and those under fee-for-service arrangements, we are committed to making diligent efforts to establish contact through multiple attempts. However, should there be no response and no discernible activity for a period of 2-3 months, we maintain the prerogative to initiate the cancellation process. This would necessitate re-enrollment and may involve potential re-enrollment fees.

Deferral

Course deferment will be considered on case by case basis and is at the discretion of the Director. If granted, your deferral application will incur a fee of \$100; which needs to be paid before your deferral becomes active.

Delivery modes

Our courses are offered through blended delivery that includes:

With self-paced learning, students can take the amount of time within their course duration that is needed for them to complete an activity or assessment at a pace they set; giving them the time they need to achieve the best learning outcomes.

Students need to complete the qualification before the Course End Date. Please refer to your Enrolment Letter for the Course End Dates.

POLICIES AND PROCEDURES

Return Mail Policy

If a student has posted an item to First Choice College and wishes to have the item returned via post, the student will be responsible for all postage and packaging costs involved. Costs will vary according to the package weight, size, tracking and delivery destination. This includes but is not limited to:

- CD/DVD/USB devices
- Storage devices
- RPL documentation
- Paper documents
- Folders and books
- Any physical items received by the student via post

Assessment Policy

All assessments are competency-based, which means that the student is assessed against the unit requirements. Once a student's submission has been assessed, he or she will be notified of the outcome by email.

Assessment results are recorded as follows:

Satisfactory (S) result: the student's submitted work satisfies the learning requirements and all competency standards for the unit (in accordance with the National Register for VET www.training.gov.au).

Not Yet Satisfactory (NYS) result: the student's submitted work does not demonstrate their understanding of all competency standards in the unit. If a student receives a 'not yet satisfactory' outcome, he or she will receive written feedback from a trainer/assessor, clearly outlining where the gaps are. The student will then be required to rectify these gaps and re-submit their assessment for marking.

Once a student receives a satisfactory result for all required assessment tasks a competent (C) outcome will be awarded for the entire unit. The student must demonstrate their understanding of all competency standards in each unit before receiving a competent outcome.

Each student has three (3) attempts to demonstrate competency, otherwise a unit re-assessment fee applies (see Fee Schedule).

In the event that a student is dissatisfied with an assessor's outcome determination – please refer to Appeals Policy.

Re-assessments (also known as resubmissions):

Assessment resubmissions are a normal part of the learning process. Any gaps that are identified in an assessment will be accompanied by assessor feedback from the training department. The onus is on the student to carefully read the feedback and seek clarification from the training department if required. If a student is deemed 'not yet satisfactory' on the third attempt – the student must re-enrol into the unit by paying a unit re-assessment fee (see Fee Schedule).

Academic Misconduct and Plagiarism

Academic Misconduct

Academic misconduct includes cheating and other actions which seek to obtain an unfair advantage or activities in which the intention is that the student will obtain an unfair advantage. Academic misconduct will not be tolerated under any circumstances and includes (but is not restricted to) any of the following activities:

- Allowing another student to copy all or part of your work.
- Having another person complete the assessment activities for you.
- Submitting all or part of another student's work as your own.

Plagiarism

Plagiarism occurs when a student attempts to pass off someone else's work as their own. This can be by using other people's work without referencing or citing the original source, failing to put quotation marks around a direct quote or passing off another person's ideas as their own. If a student is sourcing information from an external source (e.g. textbooks, journals, article, newspaper and the like) the student must reference the literature. All online research must be accompanied by the website link.

To reference a source, we recommend the Harvard Generator website www.harvardgenerator.com.

Step 1: Select the source type.

Step 2: Enter in the relevant details.

The website will generate the appropriate referencing format for the source type.

Important: All student work must meet the criteria of authenticity and must be in the student's own words.

Maintaining Acceptable Academic Progress

Students are expected to manage their time appropriately so that assessments can be submitted by the due date.

If you are having difficulty managing your time, you should speak to your trainer in the first instance. Students in significant difficulty should also refer to the extension and deferral policies.

Disciplinary Procedure

For non-compliance with the Student Code of Conduct the following procedure will be followed:

Step 1: A member of First Choice College staff will contact students in the first instance to discuss the issue or behaviour and to determine how the issue might be rectified. This discussion and its outcomes will be documented and included in the student's training file.

Step 2: Should the issue or behaviour continue, the student will be provided with a final warning in writing and a time frame in which to rectify the issue. A copy of this warning will be included in the student's training file.

Once these steps in the procedure have been followed, should the issue or behaviour still continue, education services will be withdrawn and the student will be notified in writing that their enrolment has been terminated (without refund). Students are able to access the complaint process at any stage of this procedure.
